### SAMOS ISLAND DAILY TOUR PROGRAMME

The tour will depart from the pier to MITILLINI village. The church "ASUMPTION OF THE VIRGIN" in the village will be visited, after this visit the group arrives at PYTHAGORIAN beach.

The EPHALINION Tunnel, which was built by Ephalinion in the Polycrates period, is the next stop. The tunnel, which is one of the master pieces of that period, has a perfect plan; the mountain has been dug and water has been brought into the city.

The visitors can visit the inner part of the tunnel.

The next stop is "VIRGIN SPILIANI" church. This church has been built at the top of a rocky peninsula.

Lunch time in PYTHAGORION, visitors can swim at this beach if they wish. After resting at this wonderful beach, departure to Samos town. The bus will stop at "VATHI" (old Samos). While moving through the city at a narrow path, visitors will have the chance to see the architecture of the city. At the city center visitors have the possibility to do shopping and they can buy the famous Samian wine from Samos Island.

### KUSADASI - PATMOS DAY TRIP

The greek island of Patmos is also reachable from Kusadasi by chartering the Ferry-boat. This Island is very famous, St. John Evangelis wrote the Book of Revelat here where he lived. The duration of the crossing is 4 h 30 min.
